

Gedling Ballet School - Photography and Filming Policy

Photography and filming by parents or students during class is prohibited.

Use of filming and photography for training purposes is permitted with permission of the class teacher. But must not be used on social media unless within a closed group and with the permission of school Principal Dawn King.

Student news, photographs and video footage of students, may be used to celebrate achievements and also to advertise in differing forms of marketing by Gedling Ballet School including appearing on the

- Gedling Ballet School website www.gedlingballetschool.co.uk
- Gedling Ballet School Facebook Page and Instagram Page,
- The school's hall/studio Noticeboard and termly Newsletters,
- Gedling Ballet School Show DVD and Programme (with cast list and full name used).

Images of students posted on www.gedlingballetschool.co.uk or social media by Gedling Ballet School, such as Facebook page or Instagram, will be identified by their first name only. Anyone with any concerns about images posted by Gedling Ballet School can speak to the Principal of Gedling Ballet School and the images will be removed.

To reduce the risk of inappropriate use of images only images deemed suitable will be used.

Parents, students and spectators at events organised by Gedling Ballet School, wishing to photograph or film the event, are to be made aware of the school's policy on photography and filming at each individual event.

For outside events parents and students must make themselves aware of the policy for that event as detailed by the event organiser, and our policy on photography and filming will continue to apply.

We ask all users of the service provided by Gedling Ballet School that care is taken re photography and filming, is mindful of child safe guarding issues and data protection, permission is sought where necessary, only appropriate images and footage are used, and used appropriately.
